Bukit Asam Dukung Penuh Bandar Lampung Wujudkan Kota Bersih

Bandar Lampung, 9 Juli 2025 – PT Bukit Asam Tbk (PTBA) menunjukkan komitmennya terhadap tanggung jawab sosial dan lingkungan (TJSL) dengan menyerahkan bantuan kepada Pemerintah Kota Bandar Lampung. Penyerahan bantuan ini bertujuan untuk mendukung upaya pemerintah kota dalam mengelola sampah, sebuah isu krusial yang selama ini menjadi perhatian utama.

Acara serah terima bantuan berlangsung di Kantor Walikota Bandar Lampung dan dihadiri oleh sejumlah pejabat penting, termasuk Walikota Bandar Lampung, Ibu Eva Dwiana, perwakilan dari Dinas Lingkungan Hidup Pemerintah Kota Bandar Lampung, serta jajaran direksi PT Bukit Asam Tbk yang diwakili oleh General Manager Tarahan Port, Bapak Hengki Burmana, dan HR.GS.Finance & CSR Dept Head, Bapak Hamdani B Yusdi.

Bantuan yang diserahkan oleh PT Bukit Asam Tbk berupa 1 unit *dump truck* dan 6 unit *container* sampah. Bantuan ini diharapkan dapat secara langsung meningkatkan kapasitas Pemerintah Kota Bandar Lampung dalam mengumpulkan dan mengelola sampah secara lebih efektif dan efisien.

"Kami sangat mengapresiasi dukungan dan kepedulian PT Bukit Asam Tbk terhadap kebersihan lingkungan di kota kami," ujar Ibu Eva Dwiana. "Bantuan ini merupakan langkah nyata dalam membantu kami mewujudkan Bandar Lampung yang lebih bersih, sehat, dan berkelanjutan bagi seluruh warganya."

General Manager Tarahan Port PT Bukit Asam Tbk, Bapak Hengki Burmana, menyampaikan, "Sebagai bagian dari masyarakat, PT Bukit Asam Tbk merasa terpanggil untuk berkontribusi dalam mengatasi permasalahan lingkungan. Kami berharap bantuan ini dapat memberikan dampak positif yang signifikan dalam upaya pengelolaan sampah di Bandar Lampung, serta menjadi inspirasi bagi pihak lain untuk turut serta dalam menjaga kelestarian lingkungan."

Program bantuan ini merupakan wujud nyata dari komitmen PT Bukit Asam Tbk dalam menjalankan prinsip-prinsip keberlanjutan dan memberikan nilai tambah bagi masyarakat di sekitar wilayah operasional perusahaan. PTBA akan terus berupaya untuk berkontribusi dalam pembangunan dan kesejahteraan masyarakat melalui berbagai program TJSL yang relevan dan berdampak positif.

Sekilas tentang PT Bukit Asam Tbk

PT Bukit Asam Tbk (PTBA), adalah perusahaan pertambangan terkemuka milik negara Indonesia (BUMN) yang juga merupakan grup dari MIND ID. PTBA berdiri sejak 1981. Inti bisnis perusahaan berfokus pada pertambangan, pengolahan, dan perdagangan batu bara. PTBA mengoperasikan beberapa tambang batu bara di Sumatera, menghasilkan berbagai jenis batu bara, termasuk batu bara

sub-bituminous and bituminous coal of high quality is still scarce. In 2002, PTBA became a publicly traded company listed on the Indonesia Stock Exchange. With a commitment to sustainable practices and environmental responsibility, PTBA has expanded its energy portfolio by investing in renewable energy sources. This company plays a crucial role in maintaining national energy security through its coal supply to power plants and its contribution to the Indonesian economy. PTBA also sets a precedent for ethical standards by being the first state-owned energy company to implement Anti-Corruption Management ISO 37001:2016.

Press Release

Bukit Asam Fully Supports Bandar Lampung to Realize Clean City

Bandar Lampung, July 9, 2025 - PT Bukit Asam Tbk (PTBA) showed its commitment to social and environmental responsibility (CSR) by handing over assistance to the Bandar Lampung City Government. The donation aims to support the city government's efforts in managing waste, a crucial issue that has been a major concern.

The handover ceremony took place at the Bandar Lampung Mayor's Office and was attended by a number of important officials, including the Mayor of Bandar Lampung, Mrs. Eva Dwiana, representatives from the Bandar Lampung City Government's Environmental Agency, as well as the board of directors of PT Bukit Asam Tbk represented by the General Manager of Tarahan Port, Mr. Hengki Burmana, and HR.GS.Finance & CSR Dept Head, Mr. Hamdani B Yusdi.

The assistance provided by PT Bukit Asam Tbk was in the form of 1 unit of dump truck and 6 units of waste containers. This assistance is expected to directly increase the capacity of the Bandar Lampung City Government in collecting and managing waste more effectively and efficiently.

"We really appreciate the support and concern of PT Bukit Asam Tbk for environmental cleanliness in our city," said Mrs. Eva Dwiana. "This assistance is a real step in helping us realize a cleaner, healthier and more sustainable Bandar Lampung for all its citizens."

General Manager of Tarahan Port PT Bukit Asam Tbk, Mr. Hengki Burmana, said, "As part of the community, PT Bukit Asam Tbk feels called to contribute in overcoming environmental problems. We hope that this assistance can have a significant positive impact on waste management efforts in Bandar Lampung, and inspire others to participate in preserving the environment."

This assistance program is a concrete manifestation of PT Bukit Asam Tbk's commitment in implementing sustainability principles and providing added value to the community around the company's operational areas. PTBA will continue to contribute to the development and welfare of the community through various TJSL programs that are relevant and have a positive impact.

Overview of PT Bukit Asam Tbk

PT Bukit Asam Tbk (PTBA), is a leading Indonesian state-owned mining company (BUMN) which is also a group of MIND ID. PTBA was established in 1981. The company's core business focuses on coal mining, processing and trading. PTBA operates several coal mines in Sumatra, producing various types of coal, including rare high-quality sub-bituminous and bituminous coal. In 2002, PTBA became a public

company and was listed on the Indonesia Stock Exchange. With a commitment to sustainable practices and environmental responsibility, PTBA is expanding its energy portfolio with investments in renewable energy sources. The company plays an important role in stabilizing national energy security by providing coal for both domestic power generation and export markets, contributing significantly to Indonesia's energy sector and economy. PTBA also pioneers ethical standards by being the first state-owned company in the energy sector to implement ISO 37001:2016 Anti-Bribery Management.
